TIME TO SCORE

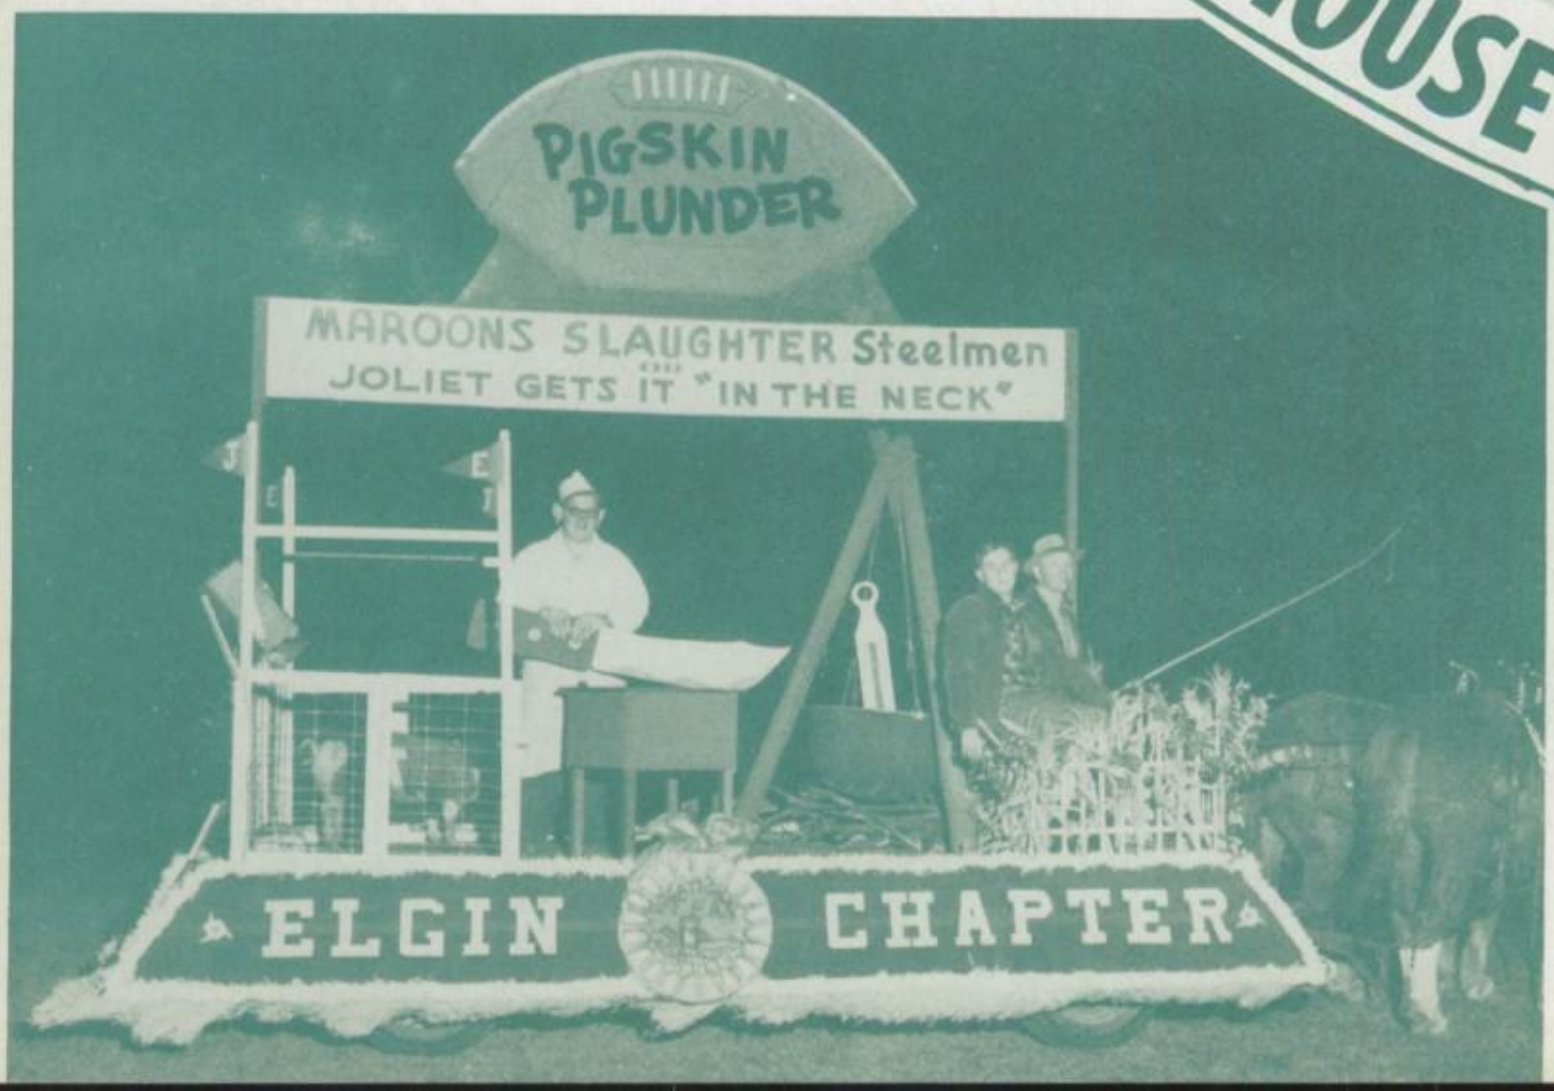
Don Westphal, Elgin's quarterback, has just handed off the ball to Chris Kobel, fullback, who is away for the first touchdown in Elgin's 26 to 12 win over Joliet.

ELGIN H. S. 1951 "FIELDHOUSE MOODS"

Two great football victories and a wonderful dance capped one of the most successful homecoming festivities ever enjoyed by Elgin High School. Sponsored by the class of 1951, the day's events were carefully planned and brilliantly staged. First on the agenda was an assembly program depicting an "about face" of the common procedures at a football game: boys were dressed as girl cheerleaders and girls portrayed the football team. A preview of the parade was shown in miniature. The king and queen candidates were introduced and the 1951 "homecoming" song was sung.

Willard Schuldt, E. H. S. football, basketball and track star, was named king of the homecoming dance.



The F. F. A. float won over twenty entrants in the homecoming parade contest. A live pig, butcher and boiling kettle predicted Joliet's fate.

Swing music, against a backdrop of pennants, chrysanthemums, goal posts with yard markers and fieldhouse murals created an evening of enchantment for EHS students at the homecoming dance.

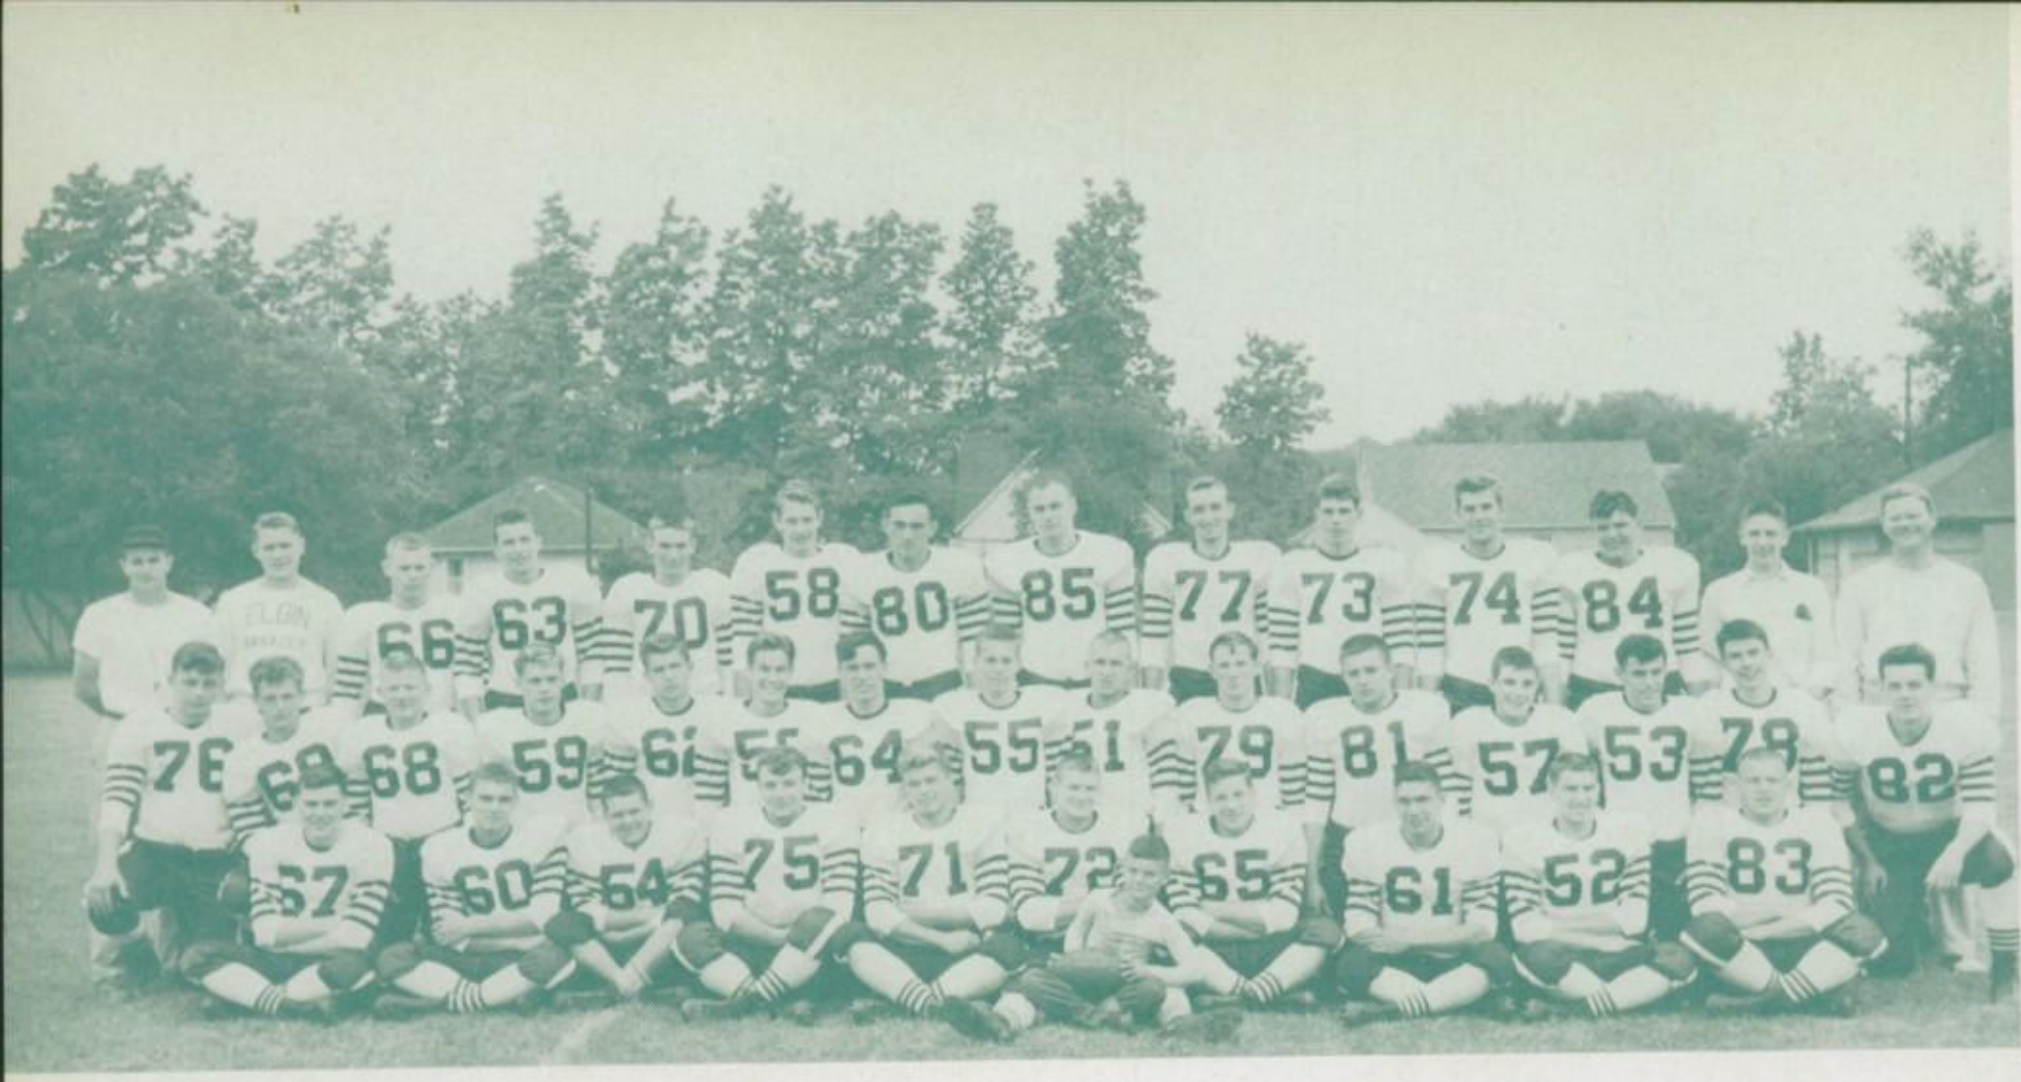
HOMECOMING

ELGIN 26 - JOLIET 12

Bigger and more colorful than ever, twenty floats paraded through the downtown streets of Elgin before going to Maroon Field where they were judged at the half time of the varsity game. F.F.A. won first place; Girls' Athletic Association, second; Future Teachers, third; Band, fourth; and Class of '52, fifth. A capacity crowd swayed and "bumped" to the music of Bill Carnegie's ten-piece band in the E.H.S. gymnasium, scene of the "Fieldhouse Moods" homecoming dance. The royal couple sat upon a throne and ruled over the merrymakers.

Nan Wilson, secretary of the Student Council, was chosen to rule as queen of the homecoming dance.

Thundering cheers from 3,500 spectators spurred Elgin's teams to victories. Varsity won 26 to 12. Frosh-Soph scored 6-0 on a 90 yard run by Don Mapes.



After 21 years without a Big Eight Championship the great 1951 Varsity team brought EHS another conference title. Members of the winning combination include, *left to right, first row:* Jerry Roller, Bob Palm, Jim Bolger, Chris Kobel, Evan Brown, Ken Field, Bruce Homfeldt, George Aurand, Fred Steffen, Bruce Pillinger. *Second row:* Alan Ferriss, Larry Rovelstad, Dick Voltz, Bruce Miller, Bob Zito, Bob Lagerstrom, Bob Malohn, Don Westphal, Roger Ziegler, Elwood Behrens, Captain George Elliot, Jack Lohbauer, Morris Gillespie, John McMahon, Dick Brant. *Third row:* Coach Chet Alexander, Manager Dan Bjick, Bill Strowbridge, Tom Nelson, Gary Allen, Charles Carlson, Bruce Struckman, Captain Willard Schuldt, Bob Daly, Don Heneise, James Gough, De Wayne Block, Manager Dennis Giertz and Coach Emery Ebbert.

EHS Varsity Wins Undisputed "Big 8" Crown

Defeating West Aurora High 31-13 before 6000 fans, Elgin received its first clear conference football championship among major teams for the first time since 1929. Scoring in every quarter of the game, the Maroons knocked West Aurora to its knees in the first three quarters and in the fourth added insurance to the already soaring score. Roger Ziegler and Evan Brown led the touchdown parade with two tallies each. Quarterback Don Westphal made the fifth on a quarterback sneak in the second quarter. Willard Schuldt connected with a conversion. On winning the conference football championship, Coach Ebbert remarked, "There are many individual stars on the team, but they didn't overshadow the fact that contributing to the whole effort was of prime importance to them. Work hard, fight all the way, and play football together was their creed." Roger Ziegler led Elgin in conference league scoring with 42 points; End Willard Schuldt held second place with 38 conference points; Evan Brown in conference play totaled 30 points.

EHS Varsity Dons Regional Tournament Crown!

Willard Schuldt, 6-4 center and captain, was the only returning letterman from Coach John A. Krafft's great team of last season that placed third in the state. Bob Zito, guard and a letterman, but on the reserve lineup last year, was the other player. Around these two "Krafftkids" Coach Chesbrough, making his first start as head cage mentor, built his team. Newcomers were Don Westphal, 6-2 marksman, and Bob Daly, 6-2 rebound artist, at forwards. In the back court "Dead-Eye" Pete Kovacs, 6-1, with Bob Zito, superb dribbler and shooter, as guards, completed the playing combination. Top scorers for the season were Schuldt and Kovacs. High point was the Regional Tourney win.

Stop Watches Clock Varsity Breaking the Tape

As spring rolled around, there was a glint in the eyes of Track Coach "Chet" Alexander. Optimism prevailed among the cindermen regarding the coming events. Returning major and minor lettermen to the 1950 track season were Dave Mumme, a threat in the high jump and pole vault; George Arnold, a top notch hurdler; Walter Minehart, Dick Simonsen and Erhardt Mooseman, weight men. Traveling to Hinsdale for a dual event, Elgin's cindermen won the major meet, 67½ to 45½. Coach Alexander's band were third best in the triangular track meet at West Aurora. Elgin's varsity placed second in the first annual quadrangular relays. Taking a clean sweep in the weight events and firsts in the high hurdles, 220 yard dash, high jump and pole vault and coupled with a flock of seconds and thirds the E.H.S., varsity trackmen defeated Joliet in a dual meet. Dick Simonsen flung the shot over 51 feet, his best effort so far.

In the twenty-eighth annual running of the Kane County track meet Elgin placed third among twelve schools. East Aurora placed first. Elgin now ties East Aurora with eleven county meet titles. Elgin was edged into second place by East Rockford in the third annual triangular meet. Dave Mumme eliminated a four-way tie for the pole vault record, when he cleared 10 feet 6 inches.

Sweep Second Hand Trails Frosh-Soph Trackmen

Time for the Annual GAA Sports Review Broadcast!

This is station WGAA bringing you the 1950-51 Sport Highlights direct from the newsroom of the Girls Physical Education Department. This year has really been a very successful and eventful one. Activities were headed by Delphine Joerns, president, assisted by Dolores Kaplan, vice-president, while Margaret Lawrence kept the minutes up-to-date and Sandra Chaplain wrote "notes." Willene Steele managed finances. Officials who saw that all games were played fair and square were Miss Wilda Logan, Girls' Athletic director, and her co-sponsors, Mrs. Phyllis Apple and Mrs. Gene Stoerzbach. Now, on with the big annual Girls Athletic Association sports review!

Fall brought hockey, tennis, archery, riding and volleyball. It also brought three hundred members of the general assembly attending the state meeting of the Illinois Association for Health, Physical Education, Recreation and Safety Conference to Elgin. Demonstration classes in Indian dancing and modern dancing plus a symposium, highlighted the day. Then came the winter season, meaning: basketball, tumbling, modern dancing, square dancing, ping-pong, bowling, badminton and table tennis. At last—spring returned and young girls' fancies lightly turned to an assortment of "events." Softball, golf and track occupied "the thoughts of our fair ones." Riding, tennis and volleyball again appeared and were loudly welcomed. As a grand finale came "Play Day," a bi-annual conclave of Chicago suburban schools, held at Elgin this spring. Schools competed with "color teams." And so another year of sports rolls away, a memorable year of fun and activity. "A sport for every girl and a girl for every sport" is Miss Wilda Logan's motto. This is your WGAA reporter now signing off—'til next year!

Chimes Strike the Hour for Orchestral Overtures

For many years EHS Orchestra has been a bond between the high school and the community. Students have given generously of their talents to bring fine music to our school and to our city. The orchestra provides basic training for its instrumentalists, as well as the musical development of all EHS students and the general public. For attaining a high level of artistic skill within the orchestra, much credit is due the director, Miss Marion Laffey. This year the orchestra and A Cappella jointly presented the annual "Operatic Nights" program. In November, a

stringed ensemble played to the grade schools in the ballad "Robin Hood." During December the orchestra and A Cappella presented a Christmas concert, the proceeds of which were donated to The Courier-News School Children's Benefit Shoe Fun. Later in the year, the orchestra played at its own assembly and exhibited finesse of surprising quality for so youthful a group. The same unusual high level of artistic performance was displayed at the annual Spring Concert. Another event in March was the district contest for soloists and ensembles held at Bensenville, Illinois, followed by the state contest in April. To finish the year right, the group not only played in the Elgin Music Festival but also in the larger organization, the Fox Valley Musical, under the direction of the noted conductor, James Robertson of Wichita Philharmonic.

There's Always a Time and Place for an A Cappella Song

The current A Cappella season has been the most active of recent years. These 90 vocally talented students dressed in their maroon and cream robes have served the school and community; the popular "Operatic Nights" concert, the annual Christmas program for the benefit of The Courier-News Shoe Fund, the Christmas assembly, the carolling of Christmas music in a street broadcast from Barnett's store and broadcasts over station WEPS. Throughout the year the group sang at various churches; they were honored by being asked to act as guest performers on the Elgin Civic Concert Symphony;

they sang at the Association of Commerce banquet and for the Woman's Club of Wayne, Illinois. In addition to singing for the Elgin Music Festival, the A Cappella choir confidently takes its place in the Fox Valley Festival, which gathers together on one program, all of the best talent of the river valley towns. This year the choral groups for the Fox Valley Festival had as their guest conductor the noted Maynard Klein of the University of Michigan. Music lovers flock to the box office for admittance to the superb performance, which has always characterized this organization. These young voices so ably directed by Mr. Arthur E. Hill, are truly a refreshing experience. Officers were Jerry Shott, president; Jeremy Wilson, vice-president; Don Westphal, secretary. Librarians were Sharon Hedblade and Mary Stephens.

All Elgin Watches When the EHS Band Is on Hand

"I love a parade . . . The tramping of feet . . . I love every beat I hear of a drum . . ."
On the gridiron, in the gym, on the stage, down the avenue, everywhere one turns he hears "That rat-a-tat-tat . . . The blare of a horn . . ." and sees "A bright uniform . . . The sight of a drill . . ." In handsome blue and gold military attire led by high-stepping, baton-twirling majorettes, presenting a colorful spectacle, the Elgin High School Band parades, rain or shine, on Armistice Day, Memorial Day, Labor Day, at football games and at pep rallies. Stirred by Sousa's "Stars and Stripes Forever," the crowds cheer; then they "join in" when

the "Loyalty Song" is rendered! Every spectator thrills to call the EHS band "Elgin's Own"! Making over forty public appearances during the year necessitates endless drill and skill on the part of band members to perfect complicated marching formations and musical arrangements. Daily, during fourth period, strains from an overture or a popular melody are heard in the corridors from the band rehearsal room. Hours of diligent practice are required to produce such excellence of musicianship as is displayed at the annual Winter Concert and at the district and state contests. But the greatest thrill of the year came when, under the baton of the noted conductor Clarence Sawhill of the University of Southern California, members joined other Fox valley town bands to execute a brilliant performance in the Fox Valley Music Festival. Officers were: Peter Gilles, president; Lester Ottinger, vice-president; Anne Kempik, secretary. Librarians were Frederick Wyman, Mary Heaton and Virginia Sparrow. Mr. Douglas Steensland is the band director.

A Thanksgiving program, presented to EHS students by the Girls' Club and Aeolian Choir, told the story of the origin and meaning of Thanksgiving Day. The Aeolian Choir of 90 girls, each dressed as a pilgrim, sang arrangements of old hymns. The story was dramatized by Wendell Schmidtke as Governor Bradford and Dick Akins as the Indian chief, Massasoit. Don Bohlin read President Truman's proclamation. The program was under the direction of Miss Elma Engelbrecht.

EHS Debate Teams Make Every Minute Count

Virginia Landwehr, center, is the first girl ever to win the national forensic championship. In a three day competition last spring at Kenosha, Wisconsin, with 26 of the top ranking speakers among high school students from Maine to California, Virginia was required to speak extemporaneously on six topics, three in the preliminary rounds and one each in the quarter-final, semi-final and final. She was given 45 minutes for the preparation of each speech. The topics were: "Federal Aid to Education"; "Is Socialized Medicine the Answer in America?"; "The Hoover Commission Recommendation for Reorganization of the State Department"; "Should We End the Occupation of Japan?"; "What Can Be Done in Our Communities to Thwart Communism?"; "Should the Communist Party Be Outlawed in the United States?" Only four boys and Virginia, of the original 26 speakers, remained in the finals. Holding the trophy award is R. S. Cartwright, principal, while Homer H. Shelby, coach, beams elation.

All Timely EHS News Reflected in "The Mirror"

Offering practical experience in editorial and feature writing, as well as business work, to students interested in journalism, "The Mirror," Elgin High School's bi-weekly newspaper, serves as a voice of the student body and as an historical record of its activities. Members of the staff spend many hours in the publications room, 239, planning and writing their assignments, composing headlines for stories and working on the "dummy," the sample paper on which articles are placed and mounted. The production of a successful newspaper requires an efficient circulation staff whose duties are to distribute "The Mirror," keep records and collect payments due the publication. Proof-reading, advertising and make-up, also, are necessary to prepare the paper for the press. A bookkeeper's many duties include mailing bills, balancing books and checking accounts. All of this work is carried on under the capable direction of Miss Enid Burns, Mirror adviser.

THE STAFF

It takes a surprisingly large staff of editors, reporters, feature writers and advertising solicitors to produce and to put the school newspaper "to bed." Left to right, seated in foreground: Garth Steffan, editor and Marilyn Roth. Seated in midground, Georgia Gabler, assistant editor, and Carol Phillips. Seated in background: Margaret Hornbeck, Donna Scarbrough and Nancy Struve. Standing: Peggy Fritz, Carol Sayland, Joanne G. Schultz, Nancy Nielson, business manager; Duane Schuldt, advertising assistant; Robert Westlund, sports editor; Richard "Pete" Kovacs, Nancy Peetz, advertising assistant; Eddie Walker, Joan Emery and Barbara O'Brien.

THE STAFF

Numerous technicians are needed to compile the various sections of the yearbook. *Seated:* Henry Hunter, photographer; Kenneth Bryer, co-editor; Janice Newby, co-editor; Harold Horne, business manager. *Second row:* the sales committee members, Mike Sorensen, Marjorie Nicholsen, Judy Erlen, Karen Chapman, Joanne Van Dusen (typist), Barbara Host, Barbara Kuhns, Doris Payne. *Back row:* Nan Carver (typist), Ronnie Jakes (artist), Henry Pearsall, co-business manager, Mary Ceresa and Kyle Jones. Virigina Burnidge, a staff member, is not pictured.

To produce your yearbook the Maroon Staff started its plans a year ago last April; by the end of September the complete blue-print of the book had been laid out by the editors, Janice Newby and Kenneth Bryer. Ronnie Jakes' cover design and division sheets had been approved by the staff. During the months that followed the struggle was on to get photographers and subjects at the right places on time, to get accurate identifications, to get copy written and edited for word count, spelling, punctuation, etc., and to meet those important deadlines, the fifteenth of each month! Joanne Bryan, Nan Carver, Joanne Van Dusen pounded typewriters overtime. Gradually the book took shape and by the end of March all materials were at the publishers! Equally important were the untiring efforts of the sales staff who not only did the leg-work in contacting E.H.S. Boosters, who have largely made this yearbook possible, but also sold programs at the football games to keep the price per book to students at a minimum.

Elation reigned and cheers resounded through Elgin High School Dressing rooms at Maroon Field Friday night, Nov. 17, as the great 1950 varsity football team brought to Elgin undisputed championship of the Big Eight conference. Elgin defeated West Aurora 31-13 in the crucial game.

In Memoriam

Jacqueline Norma Walz was born February 27, 1933, and passed away from poliomyelitis August 25, 1949. All who knew her, loved her.

Roger May, born August 30, 1932, was killed in an accident September 3, 1950, while he was serving in the U. S. Air Force. It is tragic that such a fine person is gone.

Charles Fletcher, born August 6, 1932, passed away from poliomyelitis September 5, 1949. The memory of his lovable personality will live with us forever.

EHS Graduates Swing Into the March of Time

A research paper and comprehensives, then Class Day and Commencement . . . the graduates of 1951 have finished their formal education period. Some have been trained in a college preparatory course, and some have gained a general educational background; but whatever they have studied at E.H.S., it has helped them to prepare for the life they will lead henceforth.

Between their hopeful glimpses into the future, graduates are fondly looking back over the memories of their days at E.H.S. . . . remembering "the time of their lives" . . . how green they were as freshmen; how they lost their way in the maze of halls and marveled at the size of the building; how upperclassmen often gave friendly directions to the wrong rooms. The standing in line for lunch in the cafeteria . . . for an admit into class . . . for tickets to the games . . . the "standing in line," period! They are remembering how the chronicle of 1951 really began in Mr. Larson's Room 120 with Bruce Homfeldt presiding over the class council . . . the ingenuity, planning, and hard work that went into that first get-acquainted mixer, "The Holly Hop!"

Swept along with the tide of time, as sophomores, many of the class had already distinguished themselves in music, athletics, and scholarship. Richard Akins, president, Robert Daly, vice-president, Mary Rausch, secretary, Delphine Joerns, treasurer, together with the class council, plotted the annual party "The Wise Fools Wobble." Remember?

In retrospection, the graduates recall their junior year as the happiest, for the "breaking-in stage" had passed and the somewhat sad day of graduation was still a year in the future. Class officers that year were Robert Daly, president, Edward Walker, vice-president, Nan Wilson, secretary, and Mildred Davis, treasurer. The "Heaven and Hades" class party, the receiving of their class rings and the yellow and brown class sweaters, the class play "Mother Was a Freshman" . . . all these made the junior year the most pleasant.

At last seniors . . . and the Class of '51 leaves behind them days packed tightly with memories . . . of fun-loaded school parties; of locker doors slamming and the between-period strolls; of dates and lifelong friendships made; the singing in buses on rides home after games, of Latin and history, trig and physics; of corsages and formals and gaiety at the Prom; of rippling chatter, good food, friendliness at the Class Supper; of Honors Day and the seniors prominading in caps and gowns before envious underclassmen; of Baccalaureate service, the prelude to Commencement; of the organ rolling forth the triumphant strains of "Pomp and Circumstance" as, on the most memorable occasion of all, Commencement, each senior steps forward to receive his or her diploma. Memories! Down the stream of memories, seniors drift back to "the time of their lives!"

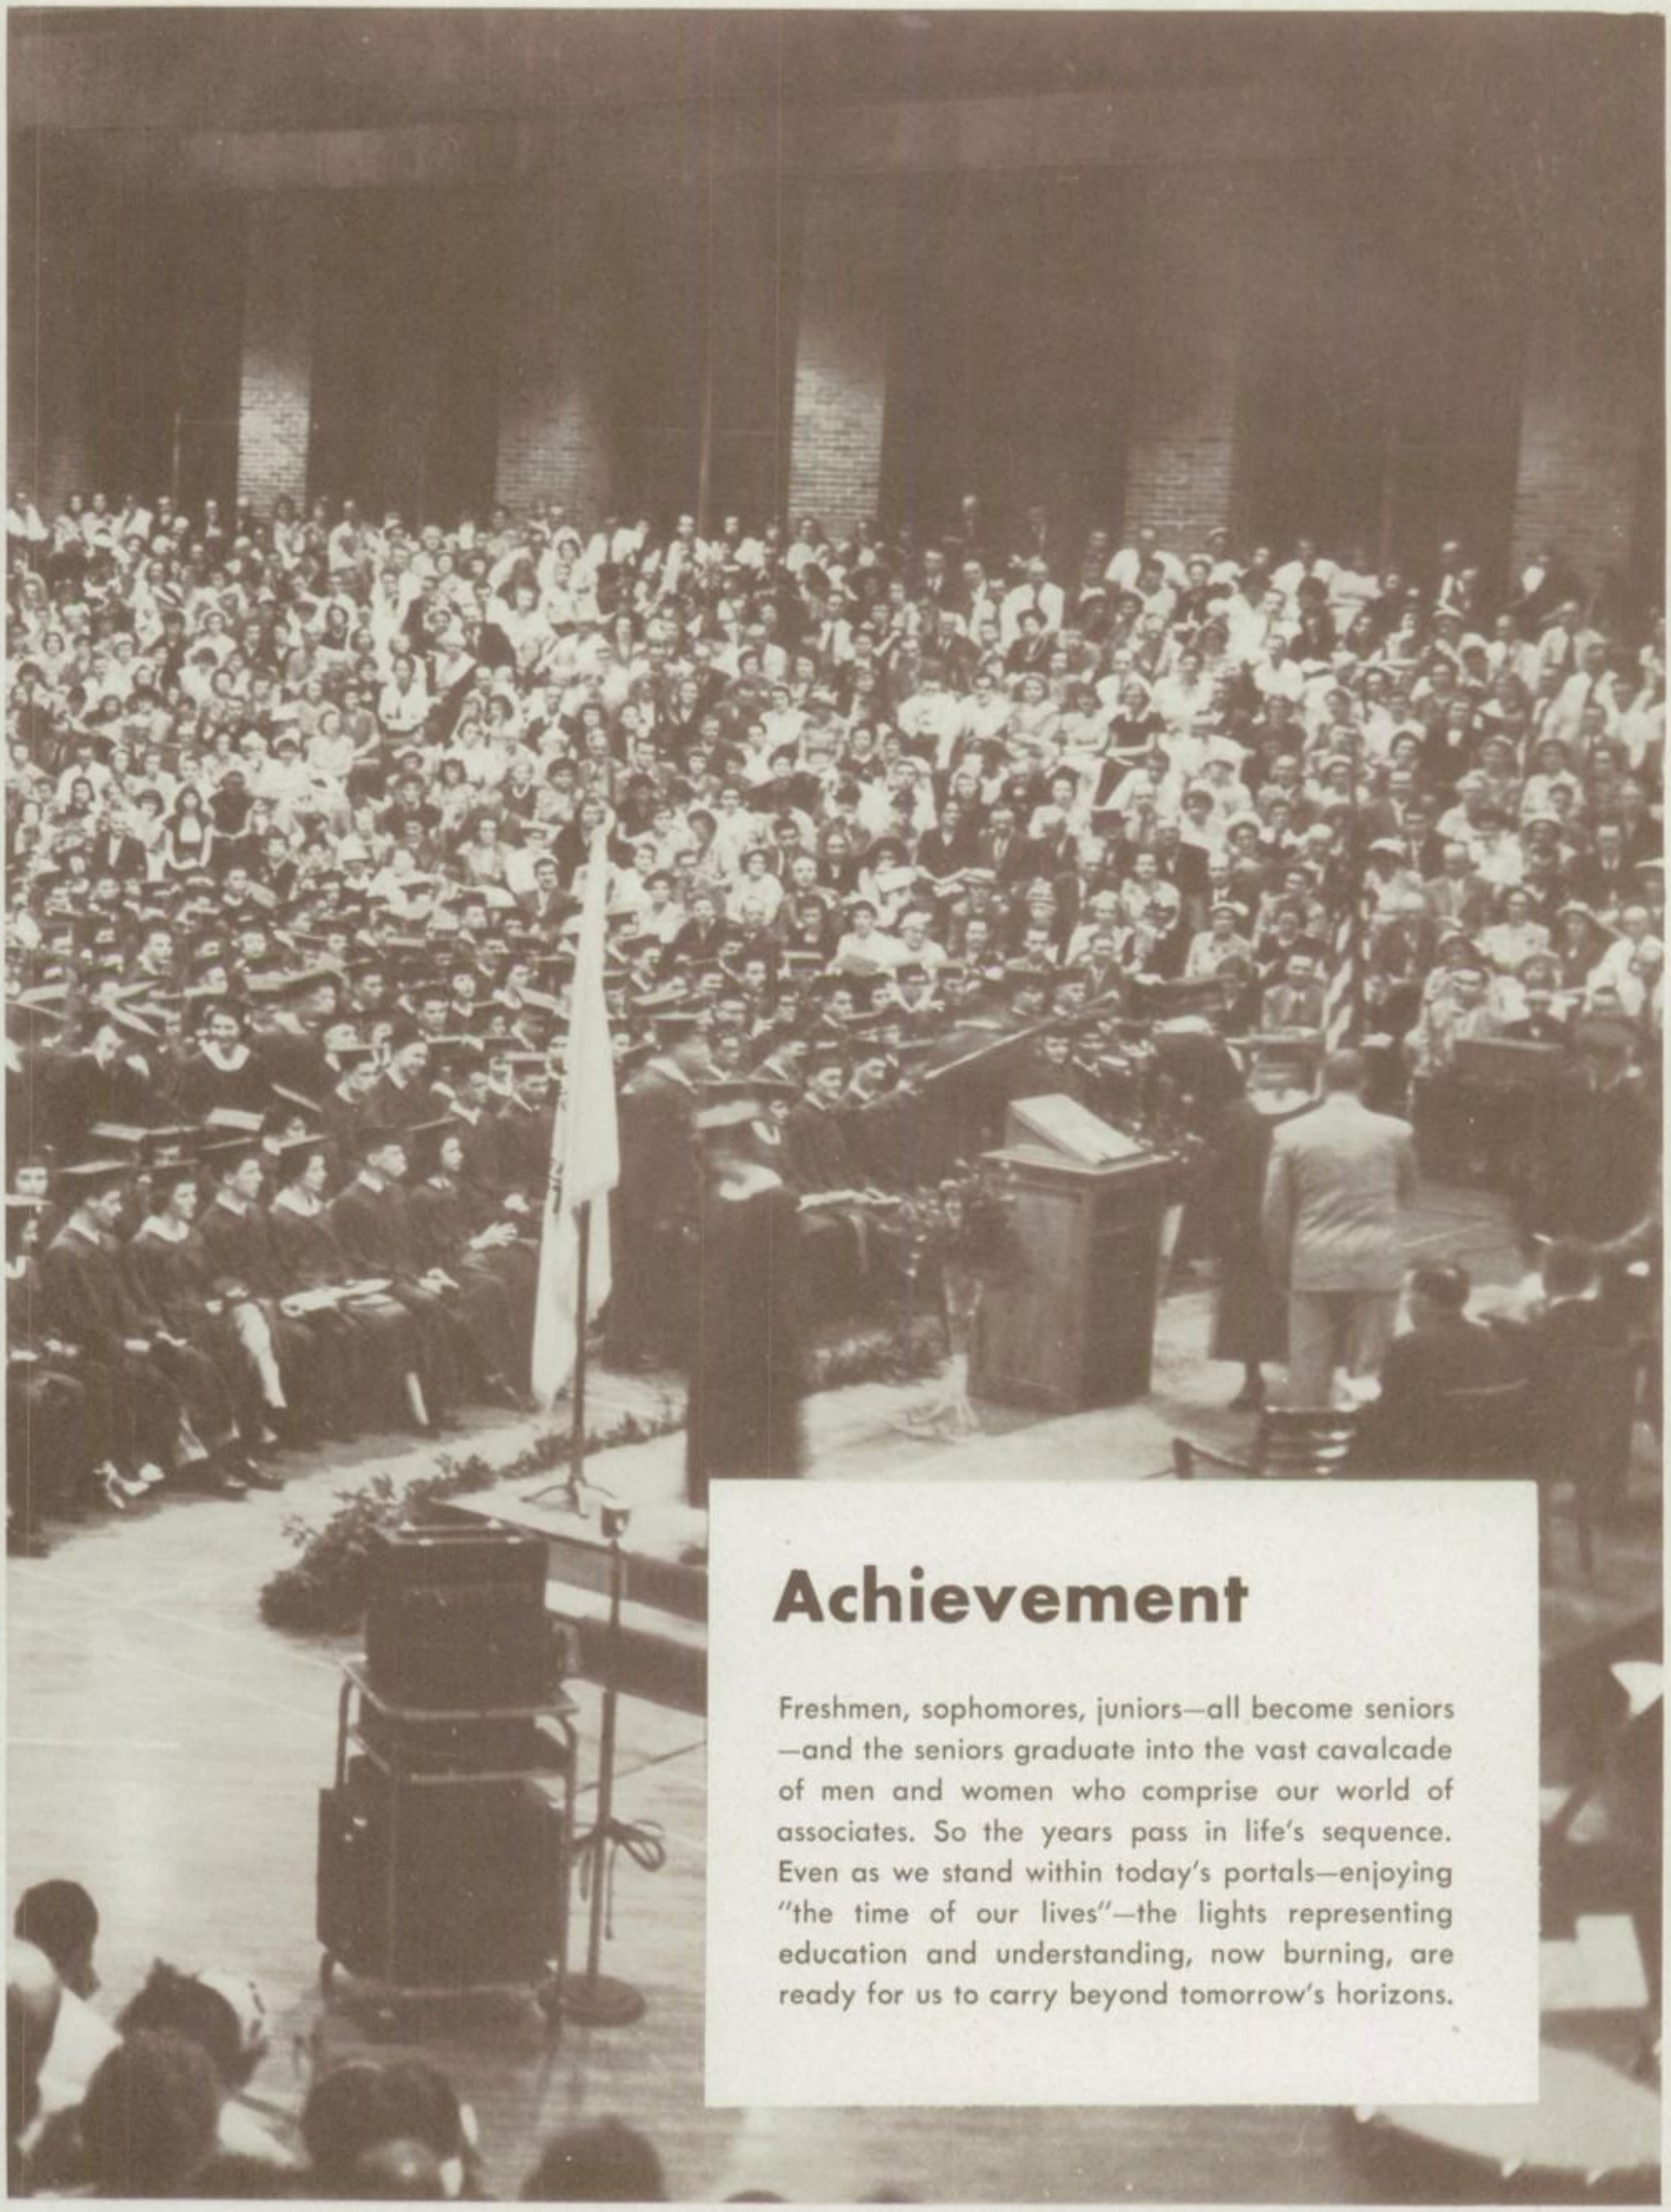
Schultz and Miss Mary Peters, assistant adviser. *Second row:* Pamela Shearer, Dolores Schick, Sonya Lapp, Dennis Giertz, Jerry Shott, Richard Akins, Douglas Hurley, David Eno, Joanne R. Letters of merit were presented to four outstanding graduates, Wendell Schmidtke, Peter Gilles, Charles Werner (standing) and Bruce Homfeldt (seated) by Roscoe S. Cartwright, principal. Each student has excelled in scholarship, having maintained A grades in all subjects during his four years of high school training. Each boy has also been outstanding in leadership in extra-curricular activities.



Achievement

Freshmen, sophomores, juniors—all become seniors —and the seniors graduate into the vast cavalcade of men and women who comprise our world of associates. So the years pass in life's sequence. Even as we stand within today's portals—enjoying "the time of our lives"—the lights representing education and understanding, now burning, are ready for us to carry beyond tomorrow's horizons.
